Coulson Tiles is pleased to offer you a variety of display options to suit your every need. Part of the service we offer is working with you, to give your store the look you want to create. With options ranging from slat walls, free standing displays, and even display tiled areas, we are happy to work with you to meet your requirements.

Example of instore display. Displays like this help showcase how fantastic a product looks laid. Product used is our **HEX DECOR CARRARA HEXAGON MOSAIC 60X68MM PAMO60X68HXPT2957**

Gondolas and Free standing stands

MERSW1500X6003259

The spinning gondola is the perfect way to showcase our range of mosaics. Utilising the slat wall system allows the mosaics to be moved around, enabling your customer to find the perfect feature to match their tiles. Available in black matte. Dimensions: 1550(H) x 600(L) x 600(W)mm

Display stands for smaller areas, or large tiles are often needed in your showroom. Stands like the 2 below, are ideal for those situations, allowing customers to see full size samples, touch and move samples around if necessary.

MERSW1400X12403267

Free standing 'H' frame slat wall stand. Suitable for use in open space. Available in black matte. Dimensions are:
1400(H) x 1240(L) x 600(W)mm

Slat wall displays are largely becoming the more popular choice for displaying tiles. They offer a clean and uniformed look for your store, giving your customer the freedom to be able to move tiles around and design a colour concept to suit their home. Available in black matte and white matte, portrait and landscape, dimensions are:

Portrait: 2400(H) x 1200(L)mm

Landscape: 1200(H) x 2400(L)mm
